

HUMC Youth Group – Weekly Parents Newsletter  
February 14 – February 21, 2010

Hello HUMC Parents!

Last Week:

We had a great time at the "Praise - Apella" concert last Sunday evening. The Christian contemporary group emphasized the greatest love of our lives: the love from God our Father. It was a great concert combined with Jesus-centered worship.

Also, we had 8 youth and 3 adults go to Open-M to serve food in downtown Akron. We were privileged to be able to serve a 105 individuals free meals.

Jesus said, *"For I was hungry and you gave me something to eat...I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me."* Matthew 23: 35 & 40.

This Week:

Our next Youth Group is this Sunday, 2/21/2010. Please encourage your youth to come and participate. Not only does youth group offer a safe place to play, form relationships and hang out; we talk about things that are essential to a growing faith in Jesus.

The Senior High's topic is: Expect What!? It is based out of 2 Timothy, chapter 3; following the journeys of Paul and Timothy. We hope to help our senior high discover that as life was not easy for Paul and Timothy as they followed Jesus, so our lives will not always be easy. It is wise for us to expect some persecution for following Jesus, but to not be afraid because, "The Lord redeems his servants". (Psalm 34)

The Junior High Topic is: Let's Eat! This also is based on Timothy 2. The junior high will gain an increased awareness of the power of God's Word. Also, we hope to help them understand the role that the bible has in their lives, and to be challenged to intensify their personal time with the bible.

ParentLink

The "ParentLink" website was having technical difficulties this month. I will be getting that e-newsletter to you as soon as they have fixed the "glitches" and you can look forward to the March edition coming out shortly.

As always, thank you for your support. The activity and participation of the youth in our church and out in the world is essential to our faith if it is going to keep growing. I appreciate you sharing in this ministry with me.

In Christ's Service,  
Sarah Hennessey
