

HUMC Youth Group – Weekly Parents Newsletter  
October 25 – November 1, 2009

Hello Hudson UMC Parents!

**This week**

- At Youth Group this week, we combined the junior and senior high for a discussion about the Trinity. There have been a lot of questions around the Trinity.
- Our discussion with the youth followed this pattern: What is the trinity and a discussion around the nature and character of: the Father, the Son and the Holy Spirit.

**Coming Up Next Week:**

- Next week, November 1st, I will be out of town in Cincinnati attending a Youth Specialties Convention. Youth group will be run by our fabulous youth leaders!
- Senior and Junior high can expect to have separate discussion times once again: this week's theme is "The Gospel: Do it"
- For games, we will be playing life - size "foosball" - and there's a twist involving glow sticks! We played this last week and had tons of fun!

As always, please feel free to contact me with any questions or concerns and thanks so much for your support!

Sincerely,  
Sarah Hennessey
