

HUMC Youth Group – Weekly Parents Newsletter
November 8 – November 15, 2009

Hello Hudson UMC Parents!

We had a great Youth Group Gathering last night. The Message had us looking into 2 Timothy, and some of the things the students explored were:

- Paul's relationships and the fact that he had a lot of support in his life and ministry
- Comparing Paul's network of supportive friends with their own network of supportive friends
- Youth were challenged to expand their networks of people who can help them in their faith walks

Next Week:

Next Sunday evening, November 15th, Rev. Larry Marshall is going to be coming to our Youth Group to have a "Question Night with Larry".

Please encourage your youth to bring their questions to this Sunday night's Youth Group; they will have an excellent resource that is there to try and answer their questions and have good discussion.

Next Youth Group Outing:

Our next outing will be to Sto-Kent Lanes on Sunday, November 22nd. Bring your game and bring a friend!

Thanks for your support,
Sarah Hennessey
