Good News

“Listen to your life. See it for the fathomless mystery it is. In the boredom and pain of it, no less than in the excitement and gladness: touch, taste, smell your way to the holy and hidden heart of it, because in the last analysis all moments are key moments, and life itself is grace.” -Frederick Buechner

There once was a woman who woke up one morning, looked in the mirror and noticed she only had three hairs on her head.

“Well,” she said, “I think I’ll braid my hair today.” So she did and she had a wonderful day.

The next day she woke up, looked in the mirror and saw that she only had two hairs on her head.

“Hmm,” she said, “I think I’ll part my hair down the middle today.” So she did and she had a grand day.

The next day she woke up. Looked in the mirror and noticed that she had only one hair on her head.

“Well,” she said, “today I’m going to wear my hair in a ponytail.” So she did and she had a fun, fun day.

The next day she woke up, looked in the mirror, and noticed that there wasn’t a single hair on her head.

“YEAH!” she exclaimed, “I don’t have to fix my hair today!”

Even as we continue in our isolation, Attitude is everything.

Keep the faith,
PC

MINISTRY TOGETHER

Hello all!

I just want to check in with everyone and let you know what the music department is doing during this difficult time! Though we are not able to get together in person, we have been meeting on Thursday nights during rehearsal time to catch up and make sure everyone is doing alright. How wonderful to be a part of such a caring, dedicated group! It really helps to see everyone, even if it is different than usual. In the meantime, enjoy seeing prerecorded videos on Sunday worship services. I know I speak for all of us in saying that we all miss seeing church people, and can't wait to get back to singing and ringing for you! Please take care of yourselves and know we think of all of you often.

NURSERY SCHOOL

I want to start off hoping everyone is staying safe and well. This has been a real learning lesson for everyone. I will say it has been a huge lesson for the Nursery School teachers. Our first concern was we need to keep the children and families engaged in HUMNS, for we are a family. I talked with the teachers and they said we need to keep this going! I am amazed and thankful for all the hard work my teachers have done.

We have zoom lessons, flip grid, porch packet drop offs and videos of how to do crafts we were going to do this spring. We will also be watching painted butterflies emerge from their Chrysalises! The teachers have them at home in containers and will video tape the progress and share with the children.

Yes, we are very disappointed that the first time in the history of the school we will not have an Art Show! We know we will have a great show next school year!

I want to let everyone know we do have openings for the 2020-2021 school year if you know anyone that is interested please have them email the school at www.humns@windstream.net or call the office at 330-650-4091 ext. 106. We will get through this and we will remain a great school with all the great staff that are making sure the children get the great learning experience they deserve.
