## Parental Permission Form to Transport Child

As a result of the revised rules of the Ohio Department of Jobs and Family Services enacted April 1, 2003, it is required that parents/guardians list the name, full address and phone number of any and ***ALL ADULTS*** with permission to transport their child/children (each child needs a separate form). This includes car pool drivers as well as caregivers, neighbors, friends and even family members. For some this list may be long for others quite short, whatever the case, it is important that this form be filled out and returned to your child's teacher before your child's first day of school.
